

Tuition and payment

When it comes to making a payment at Lynn University, there are a number of payment options available:

- 1) Cash
- 2) Check (paper or electronic)
- 3) Credit card
- 4) Bank wire (domestic / international)
- 5) Western Union

It is important to note that a credit card payment can only be made online and will be subject to a processing fee of 2.75% for a domestic card and 4.25% for an international card. For online payments a debit card and credit card is not differentiated and as a result, a debit card is subjected to such a charge.

Payments made online with an electronic check, using a bank routing and account number are not subject to the processing fee. This form of payment can only be made using a valid US bank account.

All payments via wire, domestic and international, must contain the student ID number. This will help the university to identify the relevant wire when it is sent to the school.

Sources of finance

When it comes to resolving the balance due on a student account, a family has a number of options:

- 1) Self-pay: Submitting full payment by cash, check or bank wire.
- 2) Payment Plan: Lynn University offers a monthly payment plan that allows families to break the balance on account for a semester into monthly payments (starting in May). You must enroll in this plan in order to participate. A \$35 application fee is charged when setting up the plan.
- 3) Financial Aid: Students can apply for financial aid at Lynn University. Scholarships, grants, loans and work study are all potential options available for students.
- 4) Any combination of the previous.

Refund Policy

If you decide to withdraw from Lynn, a properly filed Request for Withdrawal form establishes the date to which the university refund schedule applies. It is your responsibility to put your refund request in writing to the Office of Student Financial Services before we will issue a refund. Refunds are calculated on the basis of total semester charges payable, after deductions for non-refundable deposits and other non-refundable fees such as lab, service and technology fees.

If you have been awarded financial aid and you withdraw prior to completing 60 percent of the term, and if Title IV financial aid has been used to pay all or any portion of the charges, the financial aid program funds will be reimbursed to the appropriate agency in accordance with a formula required by federal regulations.

Unearned Title IV funds will be returned to the Title IV Programs based on the number of days not attended. The order of refunds will be: Federal Direct Unsubsidized Loan, Federal Direct Subsidized Loan, Federal Direct PLUS Loan, Federal Pell Grant, Federal SEOG and other Title IV aid programs. If you withdraw anytime during a semester, all Lynn University grants and scholarship funds will be pro-rated. This may result in a financial obligation to the university which is payable when you withdraw.

We will reduce the refund amount by any financial aid that is canceled due to the withdrawal and will mail refund checks to the permanent address on file within 4 to 6 weeks of the withdrawal date. You will continue to be obligated for any balance that is still due after the refund adjustment. By the dates listed below, you will be billed for the remainder of the semester. Any courses added subsequently will be assessed at the full rate. Drops will not be permitted after these dates for that term but you may choose to withdraw from the course.
