**Consent to Receive IRS Forms and Reports Electronically**

With the Foreign National Information System (FNIS) you can view and print immigration and taxation forms that your host institution has made available. The IRS ruling IRS Reg. 31.6051 now requires that you, as the recipient, give consent to receiving the form(s) electronically before they are uploaded. Please read the Description of Services below and check the box if you would like to view your form(s).

Your forms and reports can be viewed on the internet with a PDF reader such as Adobe Reader. They can be furnished in a paper format if you do not consent to receive it electronically.

You may withdraw consent at any time by checking the appropriate button below. This page can also be accessed on the FNIS Welcome page using the Consent link. A withdrawal of consent does not remove a form(s) from the website if this form(s) was furnished before the consent is withdrawn.

Your administrator will inform you of any conditions under which these forms will cease to be supplied electronically.
