

Terms and Conditions of Accepting Financial Aid Award

Accepting your financial assistance

The Electronic Student Award System (E-SAS) is an internet portal to your financial aid information. The E-SAS link is available through your MyLynn account under the Personal tab or you can directly log in to www.lynn.edu/ESAS. A copy of your financial assistance award letter will be electronically provided for your review at this portal. To decline or reduce any or some of the financial assistance, you may email studentfinancialservices@lynn.edu, or you can submit the Financial Aid Decline Form which is listed on our website. If we do not receive any correspondence, we assume that you are accepting all of the aid listed.

Conditions of this award

Students receiving the Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), Florida Student Assistance Grant (FSAG), Florida Effective Access to Student Education (FL EASE) or other state grant programs are awarded based on full-time enrollment. According to federal and state financial aid regulations, full-time enrollment constitutes 12 credit hours per semester. All other financial aid awards require at least 9 credit hours per semester. Consequently, financial aid awards may be adjusted for less than full-time attendance. Students will be liable for financial obligations arising from reduced financial aid awards.

All renewed awards for the following year are tentative until final spring grades are received and reviewed from the current year.

Institutional scholarships or grants are limited per student. You may receive an award adjustment if you receive an award from more than one Lynn University program.

Any commitment of federal or state funds is tentative and contingent upon legislative appropriation and actual receipt of the funds by Lynn University. The University cannot guarantee substitute awards if any anticipated outside sources of assistance do not materialize.

If your award includes a Federal Pell Grant, the amount shown is an estimate based on your enrollment for each semester. Since the exact amount of the Pell Grant is determined by the number of credit hours you are enrolled in for both semesters and the J-term, the final award cannot be calculated until you have enrolled for the second semester.

If your award offer includes Federal Work-Study (FWS), it must be understood that the amount shown for this category is the amount of money you expect to earn during the academic year as a result of work performed. This award is not subtracted from your University bill unless prior arrangements have been made with the Office of Student Financial Services.

It is the policy of the University to disburse one-half of your award (excluding FWS) at the time of each registration period (Fall and Spring semesters). In no instance will a portion of your award be disbursed prior to registration. If you have registered and submitted a valid Free Application for Federal Student Aid (FAFSA) and/or the Office Student Financial Services has received your need analysis and the requested documents, your account will be credited each semester after the drop/add period of each semester.
