Take the quiz at the end. You must earn at least a 90% or above to successfully complete the orientation course—you can retake the quiz multiple times

The screenshot shows the LYNX user interface for the 'F1 Student Orientation Quiz'. The top navigation bar includes 'ISO 101 - International Student Orientation (Master Shell) > Quizzes > F1 Student Orientation Quiz'. The quiz details are: 'Due No due date', 'Points 20', 'Questions 20', 'Time Limit None', and 'Allowed Attempts Unlimited'. The 'Instructions' section is titled 'F1 Student Orientation Quiz' and shows '2 of 2' questions. A 'Description' section states: 'You must complete this quiz in order to successfully finish the online F-1 immigration orientation. You must earn a grade of at least 90% to successfully complete the course. You are allowed to take the quiz multiple times.' A note below says: 'Please note that you have to fill out the completion form after you score 90% or more on the quiz. After you submit the quiz, make sure you click "Next" to fill out the form.' At the bottom of the quiz area, there are two buttons: 'Take the Quiz' (highlighted with a yellow box and a red arrow pointing to it) and 'Next' (also highlighted with a yellow box and a red arrow pointing to it).

Submit the completion form to acknowledge that you understand the material presented in this course.

The screenshot shows the 'Completion Form' interface. The top navigation bar includes 'LYNX' and 'Modules'. The form title is 'Completion Form' with '1 of 1' questions. The main content area is titled 'Online Completion Form' and contains the text: 'You have now completed the Immigration Orientation. Please complete the online completion form below. Make sure you scroll through the form to fill out all required fields, then click submit.' Below this is a large blue header for 'ISO 101 Canvas Course Completion Acknowledgment'. The form contains the following sections:

- A required section with the instruction: '1. Submit this verification form ONLY AFTER COMPLETING THE ISO 101 CANVAS COURSE (IMMIGRATION ORIENTATION) and pass the quiz with at least a 90%.' Below this is a paragraph of text and a checkbox: 'By submitting this form, I am confirming that I have completed the ISO 101 Canvas Course (Immigration Orientation for F-1 Students). I understand the information presented and my responsibilities for maintaining my status while studying at Lyne University. I understand it is my responsibility to follow all F-1 regulations including (but not limited to) maintaining full time enrollment, not working off campus without prior authorization, and reporting any updates in my information. I understand that I should contact the ISSO with any questions about my immigration status so that I can make the best decisions for my situation.'
- A section for '2. Full Name *' with an input field labeled 'Enter your answer'.
- A section for '3. Student ID Number *' with an input field labeled 'Enter your answer'.
