- K. Advisors
- V. New Business:
 - i. Pond be Filled in: The Pond by ASSAF will be permanently filled in. The ponds have to be now reclaimed water. Concern from students was the fact that it was sodded and if will be torn up again. Dr. Phil said that it was City of Boca ordinance. This would be a good place to have campus events.
 - ii. ZBT: Congratulations to being second place.
 - iii. KOR Reach Out: Students brought up the concern that people are not aware of KOR events. KOR will look into further marketing ideas.
 - iv. Intramural Field Lights: Could we get Lights at the field of the intramural field. Dr. Phil said it is against city ordinance.
 - v. Parking for Commuters-Parking there will be no more classes in EML. So parking will be back to the commuter lot. Dr. Phil said there are plans in the future for a garage. Anne Marie Van Casteren can we have scooter spots? KOR response we do have them.
 - vi. Will there be a Student Center: Dr. Phil said its our number one priority.
 - vii. Have a movie theater room on campus: We can look into this.

- viii. Apple Products: We understand that not everyone is an apple user but we are working with it. You can still use safari to use blackboard. Grades are moving to iTunes U but we are going to use some other type of system as well.
- ix. Paying for the Blackboard Application: Student brought up the fact that the students have to pay for the blackboard application. It was discussed that people could always log in through the internet. KOR also stated that Lynn University has our best interest in mind when it comes to releasing this new technology.
- x. Schedules for 2014-2015: A student brought a concern to KOR saying that he heard next year courses won't be offered past 3 PM MWF: KOR will look into this.

VI. Announcements:

- i. Library Services: Amy Filiatreau: As final approaches if you cant find a citation, research, information, please come to the library. We are here until 9 PM. Including on Sundays. Implementing charging stations as the iPad come into play if you need to charge your devices. Apologized for a few of the printing issues that had occurred this semester. Implemented a new system for searching. Google interfaced to find sources. Library services will be out in the residence center during the finals week. Colman lab once business center opens will be redesigned with new seating and computers. With a screening room. Hours of Operation: 50/60 people said yes they would study 24/7. Amy said we are looking into the fact of staying open until 24/7 maybe until 1 AM.
- ii. Admitted Students Experience: Edward Obsuth-Explained what ASE is. Admission office is looking for Hosts. Edward says that if you would like to host fill out an application. Question raised is on April 10th-12th. You may not host if you don't live on campus.
- iii. Spread the Word to End the Word: Best Buddies-End the "R" word "Retard". In the 1990's it was used to describe mentally disabled. Best Buddies wants to start a yearly event, wants to have a video with signs during the last week of April. On April 25th they want to have a 5k. Ashley Cacicedo will schedule a meeting to discuss the event with clubs and organizations.
