VI. New Business

a. Printer has been installed in the University Center

b. Strategic Meeting

i. 3 – 5 Year Plan for Knights of the Roundtable

c. Sal, student, thanked KOR for new printer.

i. Dwayne Griffith, President, responded by acknowledging Sal and thanking her for her response.

d. Shasmy, student, asked KOR if they can increase sustainability around Campus. Such as creating access to an app and to take a look at her sustainability proposal which has already been approved by the office of construction.

i. Dwane Griffith, President, responded, by asking her to set up a meeting with KOR to discuss further and look at her proposal and said that her ideas are something that we can look further into.

e. Lucia, student, said that a job search for international students is extremely difficult, and the school says that their budget cannot afford to hire an abundance of international students, and noted that more jobs need to be available for international students

i. Arianna Spencer, Public Relations Officer, responded that KOR can discuss further and look into.

f. Student noted that Lynn University prints degrees on printer paper which is unacceptable for students paying such a large amount to graduate seconded by admissions employee and student, Patrick.

i. Arianna Spencer, Public Relations Officer, and Dwayne Griffith, President, responded that this will be something KOR can look further into.

g. Debisa, student, maintenance will not come to fix anything, make it clearer on the website

i. Dwayne Griffith, President, responded that KOR will look further into this matter and inquire with maintenance.

f. Adam, CSI worker and Student, not that IAL has mold that has not been fixed and needs dehumidifiers.

i. Dwayne Griffith, President, responded that KOR will look further into this matter.
