

Pre-Registration

With Pre-Registration taking place this month, we thought it would be a good time to offer a few reminders:

- 1) A Business Hold means that a balance is past due and that a student will not be allowed to register. This is a last resort and is something we seek to avoid.
- 2) A Financial Aid Warning does not prevent a student from registering
- 3) If a hold is removed for a student, it may be possible that the hold will automatically go back on 24 hours later depending on why the hold was lifted initially.
- 4) Please contact Student Financial Services with any questions regarding Business or Financial Holds at 561-237-7185

This Month...

Our Lynn students have been involved in a number of community service projects the last number of weeks. Students have been volunteering at Feeding South Florida. Students have also filled eggs with candy for the upcoming Easter egg hunt on Saturday March 31. This year approximately 14,000 eggs have been filled. Many thanks to all who have participated.

Thank You

A large number of staff members from across the campus community recently worked the Senior Salute event. A sincere word of thanks to all who were present. We also wish our graduating staff the very best as they complete their studies.

Staffing Updates in SFS

Sheryl Willett has returned to Student Financial Services as the Assistant Director of Student Financial Services. We welcome back Sheryl to the Student Financial Services family and look forward to her new role within the team.

Graduation

As we come to the end of the school year, our students are getting ready to graduate. This is a very exciting time for all involved. Student Financial Services would like to ensure as smooth a transition from the university to life post-Lynn. As a result, we would encourage all students to resolve any remaining balances or financial aid loan exit counseling requirements immediately. The SFS team is available Monday through Friday 9-5pm to provide the optimum in service for all of our students, families, staff and faculty.

Room Selection

Room selection takes place this month. All students must have a deposit of \$100 on their accounts in order to take place in the Fall 2018 Room Lottery. Student Financial Services will code the student account as being eligible to take part in the lottery if this credit exists for a current resident student.
