

SAY HELLO TO Summer

Summer @ SFS

The summer period is the peak time for those working in Student Financial Services. It is the time of year when all students and families are contacted and payment arrangements and preparations are made for the upcoming school year. Financial aid paperwork, payment plan agreements, payment deadline dates, loan applications, scholarship processing, and financial counseling are just a few of the services provided over the summer. If you know of a student or family who may need guidance, please do not hesitate in pointing them in our direction. We are available at 561 237 7185.

Summer has arrived, and Student Financial Services will continue to provide all of our regular services from 9am to 4pm daily. We will be open until 6pm Monday through Thursday and 5pm Friday for the period of 6/18-7/3, This is to facilitate those students attending the Summer 2 term.

This Month...

Summer sees the arrival of campers from Pine Tree Camp and Kampus Kampers. How many staff members around the university have worked in one of the summer camps at Lynn University?

Financial Literacy

As part of our commitment to building a financially literate campus, Student Financial Services is happy to offer interactive staff workshops on the topic of "financial literacy for our students". Please contact Morgan O'Sullivan mosullivan@lynn.edu if you would like to have one of these workshops over the summer period.
