Opting Out Of The Student Health
Insurance Program

All Full-Time, Day-students, International students and Graduate students living on campus are automatically enrolled in the Lynn University health insurance plan. International students are not able to opt out of the student health insurance program and are required to take the university health insurance plan. The premium for coverage is added to the student's tuition bill unless proof of alternate coverage is provided.

If you have your own health insurance plan that is comparable to the plan offered by Wellfleet you have the option to opt out through completing the Student Insurance Waiver on the Wellfleet website.

A step by step guide to waive is provided below.

1. Open your internet browser and type www.studentinsurance.com
2. The website below will open
3. Type Lynn University into the search bar

You will then be directed to the CHP: Student Insurance for Lynn University web page
