ACADEMIC BANKRUPTCY ****Please check this box if you are interested in the Academic Bankruptcy policy****

Students entering college sometimes perform at an unacceptable academic level. They either drop out or are dismissed. Some individuals with this experience re-evaluate their educational goals and desire to return to college. Their academic record, however, may present an insurmountable obstacle. Undergraduate students in this category who want the opportunity for a fresh start at the University without this handicap may apply for readmission with the request for Academic Bankruptcy.

Financial Aid Students: Federal guidelines prohibit the concept of Academic Bankruptcy. Therefore the financial aid office must always include all courses attempted and taken in evaluating the student's satisfactory academic progress for federal financial aid eligibility.
