

“You do your homework; we’ll do your laundry.”

Picture This: You’re away at college... Busy studying and doing homework, hanging with friends, rushing a fraternity/sorority or at practice! Who has time for laundry?

Don't waste time and energy struggling with a frustrating chore like laundry. Leave that stuff to the professionals.

Campus Suds has been professionally washing, drying and folding students’ clothing at Lynn University for more than **19** years.

How it works:

- You drop off your dirty laundry bag (which we provide) every **Monday** between **10:30pm-12:30pm** in front of the security headquarters on campus at Lynn University.
- We pick it up, wash, dry, fold and deliver your clean items back to you on **Thursday** at the same location and time.
- It’s that easy – there’s no need to separate whites and colors. We can handle delicate clothing – just put a note in the laundry bag with any special instructions.
- Each student’s laundry is washed separately in their own machines.
- **We offer dry cleaning, water delivery and summer storage services for an additional fee.**
- Campus Suds uses only the highest quality laundry products, in our state of the art facility to ensure your satisfaction.
