

# Housing Selection Capstone Eligible Students

Important dates and details for non-guaranteed students

Lynn University expects students who have completed less than 60 credit hours to live and board within the University residential system. Students who have satisfied this requirement are no longer required to live on-campus, however, are eligible to live in our newest apartment building, shown above, [the Capstone Apartments](#).

Please read the timeline below to ensure you complete the necessary steps to be eligible for your space within University owned or operated facilities next year. Additional "how to" documents can be found on the Housing and Residence Life [myLynn](#) page for reference.
