

## Introduction

Welcome to our monthly newsletter for the 18/19 academic year. We hope that you are all settling in to another semester here at Lynn and wanted to share with you some of the exciting updates from Student Financial Services. The summer is well and truly gone as we look to enjoy the fall in Florida. We wish every student, staff and faculty success for the year ahead.

## SFS Events

Student financial Services launched an events calendar for the first time this year. The calendar is available to view on MyLynn under the Student Finances tab. It is also available if you click on the link here. Events to be held during the fall include Movie Nights, Coffee with the Counselor, FAFSA Nights, Financial Literacy workshops and more.

## SFS Movie Night

The first SFS Movie night will take place on Tuesday, September 25th in the DeHoernle Lecture Hall. The movie will be preceded by a short introduction to financial literacy, which will benefit all in attendance. The first movie to be shown this year will be Solo: A Star Wars Story.

## Coffee with the Counselor

Students are invited to stop by the Perper Café between 3-4pm on Tuesday, September 25th, to have coffee with a financial aid counselor. The counselor will be available to answer a broad range of financial questions and is another attempt by SFS to reach out to our student population in a new venue.

## FAFSA Nights

Watch out for FAFSA nights coming in October. SFS staff will be on hand to assist students will completing their FAFSA for the 19-20 school year. Wow, and to think you only just started 18-19!

## Financial Literacy

Student Financial Services have been rolling out their new financial literacy program these last number of months. A representative from SFS will gladly visit your department or student organization to conduct a financial literacy training session. Please contact Morgan O'Sullivan [mosullivan@lynn.edu](mailto:mosullivan@lynn.edu) if you are interested. A free financial literacy resource is available to download at <https://itunes.apple.com/us/book/id1374794635>. SFS will also be visiting all of the Lynn 101 classes in October.

## SFS Virtual

SFS is moving into the virtual world with an online chat day that will be available to all of our current student population through Facebook. Students will be able to submit questions electronically to SFS and receive instant responses. Information on how this will work will be made available shortly.

## Hours

Student financial services opens from 9am to 5pm, Monday through Friday. During the Add / Drop periods of the school year, the office will remain open until 6pm Monday through Thursday.
